Building Bridges to STEM: Empowering Parents to Motivate and Inspire Their Young Person

Calling all parents and carers of young people and teenagers!

What better way to celebrate Science Week than to join the CSIRO to find out how you can support your young person's interest in STEM, now and into the future? Not sure what STEM is? STEM is all about learning and development that incorporates Science, Technology, Engineering and Mathematics. STEM enables children and teens to develop key skills such as problem-solving and critical analysis.

Don't miss this opportunity to discover how you can play a crucial role in nurturing their interest in STEM. CSIRO's Generation STEM* team will share insights and advice on practical ways to connect what your young person is learning in school to the exciting possibilities of STEM careers.

Carnes Hill Library Thursday, August 17th 5:15 pm-5:45 pm (Information session followed by Q&A) **[Bookings Essential](#)** Individual/family bookings only. Light refreshments will be provided. Free registration. If you require additional tickets, please email libraryevents@liverpool.nsw.gov.au
